Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the San Clemente Shoreline Project in fiscal year 2022.

The entity to receive funding for this project is the U.S. Army Corps of Engineers. The non-federal sponsor of the project is the City of San Clemente, located at 910 Calle Negocio, San Clemente, CA 92673.

The funding would be used to fund an authorized U.S. Army Corps of Engineers project. The project involves placing about 251,000 cubic yards of sand on the City beach from Linda Lane to T-street, a distance of about 3,400 feet. This will widen the beach about 50 feet to provide storm damage reduction and recreational benefits.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
